The San Francisco Early Music Society is a community-based organization dedicated to supporting the study and performance of Medieval, Renaissance and Baroque music by both amateurs and professionals in Northern California. For the past 30 years SFEMS has worked to increase public awareness of the richness and variety of classical music before 1750, to create opportunities for its performance and to educate musicians of all backgrounds, ages and abilities in the techniques appropriate to early music.

Benefits of membership in SFEMS include discounts at concerts and workshops as well as at local stores and services; a monthly newsletter with the only comprehensive calendar of early music events in Northern California; a directory of local performers, teachers, instrument makers, publishers, stores, concert series, workshops and other early music resources on the Web; and the knowledge that as a member of SFEMS you are also supporting over 40 other affiliate early music organizations in the Bay Area, including the Music Discovery Workshop for children.
